**Course Description (including outline and course schedule):**

The course will develop students' ability to comprehend and effectively use basic German. The textbook is theme based and introduces the student to basic concepts of every-day life in Germany. There is a strong focus on developing communicative ability. The textbook will be supplemented by discussions about German contemporary popular culture. Vocabulary acquisition will follow a structured approach. Basic German grammatical structures will be taught with a comparative approach (relative to English and Chinese).

Assessment will be based on class participation, performance in the mid-semester and final examinations, and two grammar quizzes. Examinations will contain a strong focus on communicative ability.
