科目簡介(可含大綱及教學進度):						

The selections for this course cover fascinating themes and interesting topics such as sports, food, inventions, mysteries, and business. To help the students develop reading skills and systematically increase their active vocabulary base from 800 to 2,000 words, well-designed and varied exercises are offered, providing them with level-appropriate exercises and activities. Finally, each unit ends with a set of high-interest, interactive tasks to help students practice the new vocabulary and skills they have learned in more open-ended contexts.
