(01) Thursday	Research Writing	Prerequisites	None	N					
	Research Writing is a course designed to improve the English writing skills of students of English as a								
	second language. The course is also deigned to introduce students to the format, writing style, and content of								
	empirical research papers. The language of such documents is significantly different from everyday spoken								
	English or from the common language encountered in English literature. Research papers intended for								
	journal publication are writte	en with more concisen	ess and directnes	s than other types of	writing whil	le			
Course  Description  & Purpose	following a specific format. Topics including how to write research questions, a statement of purpose,								
	methodology, conclusions, recommendations, limitations, and a literature review constitute the content of								
	the course.								
	The purpose of the course is to prepare students to write a research required for graduation from the								
	university and to guide them in the process. A secondary purpose is to enhance their writing skills and								
	understanding the nature of r	esearch papers writin	ıg.						
Methodology	Lecture, Discussion, Qu	ialitative Research	ı Project, Grou	ıp Quantitative R	esearch Pi	roject
