	中文：英會與表達能力(二)(下)	宋正邦	必修	應外英文2A	2	2
	英文：English Conversation and Oral Presentation	先修課程	無			
教學目標與內容	This course is designed for Applied English majors to extend their fluency in English conversation. The learning methods and requirements for this course are designed to challenge the students to enhance their English conversation skills. Specifically, one of the main objectives is to help the students gain an advanced mastery of English conversation. To accomplish this, each student is required to prepare and give one formal speech on a topic of his or her choice. Additionally, practical exercises will be initiated by on a regular basis by the instructor to simulate actual conversations conducted in the business world. Students of this course are expected construct knowledge and develop practical skills by relating to their own work experiences as well.					
實施方法	Students will meet in collaborative learning groups and discuss topics assigned by the instructor.					
評量方式	Attendance and in-class activities: 30%, speech: 30% mid-term: 20%, final exam: 20%
