跨文化交流						Inter-Cultural Interchange				
教學目標與內容	This course aims to provide students with the basic concepts of different culture, lifestyle and customs, also, to encourage students to use these concepts to understand others the world around, and to use what they have already learned in classes before. Therefore, students are able to develop their language abilities gradually. And to communicate among different peoples in a sense of cultural identity and continuity smoothly. This course encourages students to interact with others either in pair work or group work in order to review and develop their general language abilities.
