	中文：公共政策專業英文導讀	柯于璋助理教授	V選修	二年級	2	2
	英文：Public Policy	先修課程	None			
教學目標與內容	One of the main goals of this course is to introduce the process of public policy that generally includes agenda setting, policy formulation, policy implementation, policy evaluation, and policy change and termination. On the other hand, I intend to create an English learning environment, therefore, the teacher and the students can have more discussion on our specialty field in English. However, considering the fact of the differences in students' English comprehension, some Chinese explanations and discussion will be employed in order to cover every student in the class.					
實施方法	1. Lecture, 2. Oral Practicing and Reading.					
評量方式	1. Class participation and attendance, 10%; Mid-term, 45%; Final exam, 45%.					
	2. Every absence without the permission of the University will reflect on student's grade, 2 points deducted. No limit on the times of the deduction.					
	3. Any behavior that doesn't comply with the class disciplinary will reflect on students' grade. Those behaviors include chatting in the class, late arrivals, and so on.					
	4. At the end of the semester, the students will vote for 2 to 3 students that have the best oral reading and practicing, who will get extra points on their grades.					
授課使用及參考書籍	Lester, James P. and Joseph Stewart, JR, "Public Policy-an Evolutionary Approach." Second Edition, Cal: Wadsworth.
