	English : Active Reading II	Course Requirements	(No restriction)			
Brief Course Description	Active Skills for Reading (Book 3) is a course designed to increase the students' skills in reading by developing strategies that improve reading comprehension, vocabulary, phoneme and word recognition, pronunciation, and reading fluency. Identifying main ideas, reading for detail, sequencing, fact and opinion, prediction, drawing conclusions, and making inferences are essential reading skills to be developed during the course. The purpose of the course is to promote understanding of the reading process using a Bottom-up Model, a Top-down Model, and an Interactive Reading Model.
