	Advanced English 29	Course Requirements	(no restriction)			
Brief Course Description	<p>Advanced English 29 will include important general topics such as speaking, grammar, vocabulary, pronunciation, listening, reading and writing. The theoretical focus of the course is on two main issues:</p> <p>English accuracy; and fluency of English :</p> <p>The course aims to develop students' English language capacities. Students will be assessed on the quality of their English language rather than on whether or not they have reached conclusions that the Professor would support. The course focuses on the understanding and effect of English in the communication process in everyday life and business. Students are not expected to undertake in-depth analysis of English but to gain the basic fundamental techniques required when communicating with people.</p>
